ProTeam Curriculum Revisions

Why revise?

The last change was in 2014.

References are dated.

Technology has changed.

Teachers felt like they could not get to everything, especially in a semester.

Feedback about the curriculum: needs to be more user-friendly and efficient

New Setup

Module 1	I Can Self Reflect
Module 2	I Can Communicate
Module 3	I Can Be Different
Module 4	I Can Teach Others
Module 5	I Can Make Positive Decisions
Module 6	I Can Plan for a Successful Future

What can you expect? Here's a taste...

Lesson 3.D (“Walk in My Shoes”) and Lesson 3.E (“Get Some Culture”) have been combined into one lesson. Students will do a research project and presentation.

- Understanding what *culture* is
- What are things that *influence* culture?
- It is all about *Respect*

In the “new” Module 5.B (I Can Make Positive Decisions), (formerly “Miles of Smiles”) is now “Give a Smile, Take a Smile”.

- No booklet - no crazy prep!
- Sticky notes - quick and easy access
- Bigger impact on more students

Stars and Wishes

A roller coaster car is shown in mid-air, having just launched or about to land. The car is orange and black, with several passengers visible. The tracks are yellow with red and white polka dots. The background is a clear blue sky with a few wispy clouds.
